Virtual/Hybrid Hearing Hosting

Let an expert handle the virtual connection so you can focus on your case

Connect Only

Invite ➤ **Test & Connect**

A Connect Only Assistant sets up the virtual hearing, conducts a test, sends secure invites to all participants, and connects participants to the virtual hearing (including subsequent days for multi-day hearings). The Assistant's role includes troubleshooting connectivity issues.

Once all are connected, the Assistant turns over hosting authority to the arbitrator or panel chair.

Pricing: $75/day

Hosted

Invite ➤ Test & Connect ➤ **Host**

This service includes a Host responsible for the set-up of the virtual hearing including a pre-hearing practice run, testing technology and connectivity. The Host sends secure invites and connects the participants to the virtual hearing (including subsequent days for multi-day hearings).

The Host will be present for the entire hearing to assist the arbitrator and parties as needed. This includes real-time technical support and help with breakout rooms.
