A Closer Look at How It Works

Running your organization's elections has never been easier, and we're here to support you every step of the way.

Election Setup

- Customized online ballots tailored to your organization's needs are effortlessly created.
- Test voter credentials are provided for review and approval, ensuring confidence in the integrity of the ballot.
- Each eligible voting member receives a unique Personal Identification Number (PIN) for secure ballot access.

Polling Period

- The online voting portal is easily accessible 24 hours a day, seven days a week through the designated website, electionsaaa.org.
- Voters use their organization ID and randomly generated eight-digit PIN to securely access the ballot.
- Additional security measures, such as one-time passwords via email, can be implemented.
- A dedicated elections helpdesk is available Monday through Friday for support, ensuring a smooth voting experience for all members.
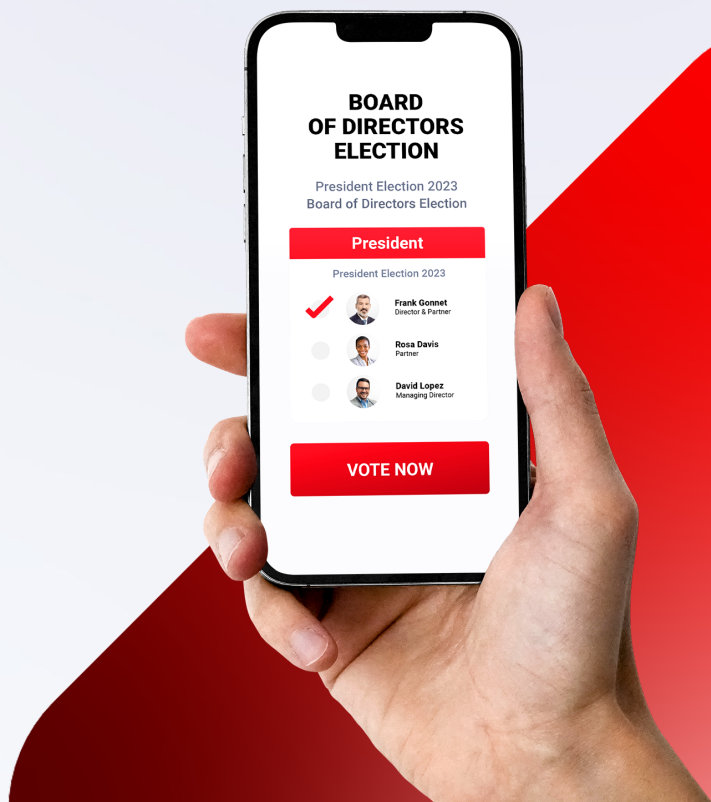

Results

- Tabulation is instantaneous and results are available within minutes of polls closing.

- Reporting capabilities are dynamic and can be tailored to meet the specific requirements of your organization.

Empower Your Organization

With the AAA Online Elections Platform, your organization can elevate its democratic processes while saving time and resources. It's time to embrace accurate, secure and streamlined online elections. The future of voting is here, and it starts with the AAA Online Elections Platform!
